I can not tell you how blessed we were by your presence this weekend. The compliments continue to pour in. . . . Your humor, your transparency, your frankness in addressing the hard questions and the way that you played off of one another was truly outstanding.

—Pastor from Philadelphia

We wanted to tell you how much we enjoyed and were blessed by the marriage conference . . . We loved the worship, we loved your Saturday night talk! And we came away so full and refreshed and have had such great talks about marriage and family because of how God spoke to us. It was really cool and life changing.
